

Lanesborough

Preparatory School

AN OVERVIEW

Lanesborough is a very popular, outstanding Prep School for boys aged 3-11. The school was founded in 1930 by two Masters from Dulwich College and still occupies its original premises based on Lanesborough House in Maori Road, Guildford, a residential area between the Epsom Road and London Road, about five minutes' walk from the High Street. Lanesborough is in the unique position of being owned by the same charity that owns the Royal Grammar School in Guildford. We have a very close relationship but are two separate academic institutions. For ease, we do share certain services such as the Bursary Department. Lanesborough is proud to be the Cathedral Choir School and up to 18 boys are Cathedral Choristers.

The school is on two adjacent sites with the Prep Department on Maori Road and the Pre-Prep Department on Aldersey Road. The two sites are split by the playing fields and Astroturf.

The Governors are committed to Lanesborough's existence as a thriving IAPS Preparatory School and as the Preparatory School of the Royal Grammar School. With around 320 boys aged 3 to 11, Lanesborough employs over 50 full-time and 8 part-time members of staff, along with 11 visiting music teachers and 6 members of the catering team. The principal ages for entry to the school are 3, 4 and 7, although boys can enter at other ages if there is a place available. We are academically selective at all stages. Boys go onto a variety of excellent Senior Schools - entry to the Royal Grammar School is not automatic although over half of Lanesborough boys do proceed to the RGS.

Lanesborough enjoys a strong academic reputation and there is an exciting atmosphere that is created by bright boys who are intellectually curious and great fun to teach! Classes are small (the average is sixteen) allowing a significant degree of individual attention. There is a strong emphasis on art, drama, music and sport, as well as an excellent programme of extra-curricular activities. The school prides itself on the quality of its pastoral care and the Governors are very keen to ensure that such care and support, which is a vital aspect of the community at Lanesborough, is maintained and enhanced.

To find out more about how your son could become a Lanesborough boy contact our Admissions on 01483 880489 or email admissions@lanesborough.surrey.sch.uk.
